Yes, I would like to sign up for a home-based faith sharing group. I have checked off my preferences in terms of the best time for me to meet:

Meeting Time	Sun	Mon	Tue	Wed	Thurs	Fri	Sat
Morning							
Afternoon							
Evening							

Please check any of the following which apply:

I would like to host a group in my home (provide a place for a small group to meet and some light refreshments)

I would like to be a group facilitator (resource/guidance provided) (lead the reading of the scriptures for the coming weekend and facilitate discussion using the provided questions)

The faith sharing groups meet weekly for six weeks, beginning the week of February 14th, for about 1½ hours each week. You will be notified of which group you've been assigned, according to your above mentioned preferences. Note that if you have listed a date and time that cannot be accommodated, you will be assigned to a group, but will also be provided with information as to when every group is meeting so that you may change groups if necessary. Turn in your form by January 29th.
